2024 8th International Conference on Computer Science and Artificial Intelligence

Beijing, China   December 06-08, 2024

2024 8th International Conference on Computer Science and Artificial Intelligence (CSAI 2024) will be held on December 6-8, 2024 in Beijing, China. The aim of CSAI is to provide a platform for researchers, engineers, academicians as well as industrial professionals from all over the world to present their research results and development activities in Computer Science and Artificial Intelligence. We welcome your submission and participation!

This annual conference is sponsored and hosted by Beijing Computer Federation. Beijing Computer Federation (BCF), founded in 1987, was initiated by Prof. Yang Fuqing（Academician) together with many well-known experts and professors in the field of computer science, acknowledged by the Beijing Municipal Civil Affairs Bureau, and affiliated to the Beijing Municipal Association for Science and Technology.
